Pittsburgh, 1988. (See
 and caption.) (See also
 Cover, 20 to 21, 2014.)

The artist designed this
 model for the Grand Nar-
 row Hall of Carnegie
 Institute on the occasion
 of the 1918 Pittsburgh
 International. (See also
 Cover, 20 to 21, 2014.)

In G. David Thompson
 and goes to Pittsburgh
 County in memory of his
 son David, who had died
 in an airplane crash, the
 model was exhibited for
 twenty years at the Greater
 Pittsburgh International
 Airport. Now on loan to
 the museum by the County
 of Allegheny, the model
 has been restored to its
 original colors and can be
 seen in the hall where it
 was first designed.
